What is Optum?

- Optum is a an organization committed to a simple goal: helping people live healthier lives and helping to make the health system work better for everyone
- Optum works collaboratively across the health system to improve care delivery, quality, and cost effectiveness
- We focus on three key drivers of transformative change:
 1. Engaging the consumer
 2. Aligning care delivery
 3. Modernizing the health system infrastructure

UnitedHealth Group Structure

Optum and You, our Provider Partner

Our relationship with you is foundational to the recovery and well being of the individuals and families we serve. We are driven by a compassion that we know you share.

Together, we can set the standard for industry innovation and performance.

Achieving our Mission:

- Starts with Providers
- Serves Members
- Applies global solutions to support sustainable local health care needs

From risk identification to integrated therapies, our mental health and substance abuse solutions help to ensure that people receive the right care at the right time from the right providers.

Specialty Network Services

Customers we serve:

- 50% of the Fortune 100 and 34% of the Fortune 500
- Largest provider of global Employee Assistance Programs (EAP), covering more than 19 million lives in over 140 countries
- Local, state and federal government contracts (Public Sector)

Serving almost 43 million members:

- 1 in 6 insured Americans
- The largest network in the nation, delivering best in class density, discounts and quality segmentation
- More than 140,000 practitioners; 4,200 facilities with 9,000 facility locations

Simultaneous NCQA and URAC accreditation

Optum Applied Behavioral Analysis Member Information

© 2024 Optum, Inc. All rights reserved.
BH00683_11022024

Member ID Card

- Will be sent directly to the member
- All relevant contact information will be on the back of the card for both medical and behavioral customer service

Member Rights and Responsibilities

Members have the right to be treated with respect and recognition of his or her dignity, the right to personal privacy, and the right to receive care that is considerate and respectful of his or her personal values and belief system

Members have the right to disability related access per the Americans with Disabilities Act

You will find a complete copy of Member Rights and Responsibilities in the Provider Network Manual

These can also be found on the website: providerexpress.com

These rights and responsibilities are in keeping with industry standards. All members benefit from reviewing these standards in the treatment setting

We request that you display the Rights and Responsibilities in your waiting room, or have some other means of documenting that these standards have been communicated to the members

Member Website

UHCprovider.com makes it simple for members to:

- Identify network clinicians and facilities
- Locate community resources
- Find articles on a variety of wellness and work topics
- Take self-assessments

The search engine allows members and providers to locate in-network providers for behavioral health and substance use disorder services.

Providers can be located geographically, by specialty, license type and expertise.

The website has an area designed to help members manage and take control of life challenges.

Who is eligible?

To be eligible for Florida Medicaid recipients under the age of 21 years requiring behavioral analysis services that are medically necessary to address behavior that impairs a recipient's ability to perform a major life activity.

Such functional impairment is expressed through the following behaviors:

- Safety - aggression, self-injury, property destruction, elopement
- Communication - problems with expressive/receptive language, poor understanding or use of non-verbal communications, stereotyped, repetitive language
- Self-stimulating – abnormal, inflexible, or intense preoccupations
- Self-care - difficulty recognizing risks or danger, grooming, eating, or toileting
- Other behaviors not identified above but not limited to complexity of treatment, programming, or environmental variables

Credentialing/Provider Criteria for Inclusion in the Applied Behavioral Analysis/IBT Network

Required: NPI and EIN/TIN

National Provider Identifier (NPI):

Health Insurance Portability and Accountability Act of 1996 (HIPAA) mandated the adoption of standard unique identifiers for health care providers and health plans

- The purpose of these provisions is to improve the efficiency and effectiveness of the electronic transmission of health information
- We require that all claims submitted have an NPI number and taxonomy codes for reimbursement

To obtain an NPI number, follow the instructions on the NPI web site:

- [NPPES \(hhs.gov\)](https://nppes.hhs.gov)
- **Tax Identification Number (TIN), Employee Identification Number (EIN), or Social Security Number (SSN) information:**
- [IRS.gov](https://irs.gov)
- [Apply for an Employer Identification Number \(EIN\) Online | Internal Revenue Service \(IRS.gov\)](https://irs.gov/applyforanemployeridentificationnumber)

Professional Liability Insurance:

- [BACB - Behavior Analyst Certification Board](https://bacb.com) has coverage information; enter “liability in the site’s “Search” feature located in the right side of the menu

Applied Behavioral Analysis Credentialing Criteria (1 of 2)

Individual Board-Certified Behavior Analysts—Solo Practitioner

- Board Certified Behavior Analyst (BCBA) with active certification from the national Behavior Analyst Certification Board, and
- State licensure in good standing
- Compliance with all state/autism mandate requirements as applicable to behavior analysts
- A minimum of six (6) months of supervised experience or training in the treatment of applied behavior analysis/intensive behavior therapies
- Minimum professional liability coverage of \$1 million per occurrence/ \$1 million aggregate

Applied Behavioral Analysis Credentialing Criteria (2 of 2)

BA / IBT Groups

- BCBAs must meet standards above and hold Supervisory Certification from the national Behavior Analyst Certification Board if in supervisory role.
- Licensed clinicians must have appropriate state licensure and six (6) months of supervised experience or training in the treatment of applied behavior analysis/intensive behavior therapies
- Compliance with all state/autism mandate requirements as applicable to behavior analysts/ABA practices
- BCaBAs must have active certification from the national Behavior Analyst Certification Board, and appropriate state licensure
- Behavior Technicians must have RBT certification from the national Behavior Analyst Certification Board, or alternative national board certification, and receive appropriate training and supervision by BCBAs or licensed clinician
- BCBA or licensed clinician on staff providing program oversight
- BCBA, BCaBA, or licensed clinician performs skills assessments and provides direct supervision of Behavior Technicians in joint sessions with client and family
- \$1 million/occurrence and \$3 million/aggregate of professional liability and \$1m/\$1m of general liability if services are provided in a clinic setting
- \$1 million/occurrence and \$3 million/aggregate of professional liability and \$1m/\$1m of supplemental insurance if the agency provides ambulatory services only (in the patient's home)

Applied Behavioral Analysis Virtual Visits

Optum allows BCBAs/Licensed BH Clinicians within contracted BA practices to conduct BA supervision and/or caregiver training via telehealth.

To provide supervision and/or caregiver training services via telehealth, the use of HIPAA compliant software is required

After receiving authorizations, to bill for the virtual BA Supervision of Behavior Technicians and Family Training and Guidance:

- Simply include the same procedure code you would use for an in-person service on your claim with the “GT” place of service code to let us know the service was provided via telehealth

Additional information and resources can be found on our [ABA page](#)

Steps in Providing Treatment

Eligibility, Authorizations &
Concurrent Reviews

Clinical Teams

Dedicated Behavioral Analysis Clinical Team

There is a dedicated autism clinical team that supports the commercial Behavioral Analysis program:

- Each team member is a licensed behavioral health clinician, BCBA or LBA with experience and training in Autism Spectrum Disorders and related conditions.
- The team is managed by individuals that are licensed psychologists and BCBA-D's, LPCC's, LCSW's, and LMHC's

Applied Behavioral Analysis request and review process

Master's level advocate team with extensive experience with autism spectrum disorder and BA to ensure BA treatment is appropriate and follows evidence-based practices

Cases that are not aligned to the updated guidelines are sent to peer review. Peer Reviewers are licensed psychologist with experience in Autism and behavior therapy. If partial or full denials occur as part of the peer reviewer, the provider will receive a letter with reasons for denial and appeal process.

Steps to Confirm Eligibility

Documentation needed from the family

- Copy front and back of the member's insurance card
- Record subscriber's name and date of birth
- Member's (client) name and Insurance ID may be different from the subscriber

Eligibility & Coverage

- Verify online at UHCprovider.com or call the Behavioral Health number located on the back of the member's ID card
- Ask for benefit coverage to both the service (e.g., Is BA-based therapy covered?) and the diagnosis (e.g., Is autism covered?)
- Verify (as applicable) the deductible, copay, coinsurance amounts and the out-of-pocket maximums for the individual vs. the family

Requesting Prior Authorization

Submit a request online (simplest method): Tutorial [here](#)

[Sign in](#) to the Provider Express secure portal using your OneHealthcare ID

Need a OneHealthcare ID? [Register](#) now.

Submit a request by phone:

You'll need the following readily available

- Your agency Tax Identification or TIN
- Your agency's name and servicing address
- The ID number from the Insurance Card
- Member's name & DOB
- Member's address, city, state, and zip
