Claims Tips

To ensure clean claims remember:

- An NPI number and taxonomy code is always required on all claims
- A complete diagnosis is also required on all claims
- The rendering provider’s 10-digit NPI is required in box 24J and must be enrolled in VA ABA Medicaid Network. (The rendering provider is the BCBA/Licensed Clinician)

Claims Filing Deadline

- Providers have 365 days from the date of service to file Medicaid claims

Claims Processing:

- Clean claims, including adjustments, will be adjudicated within 30 days of receipt

Balance Billing

The member cannot be balance billed for behavioral services covered under the contractual agreement

Examples of coding Issues related to claims denials:

- Incomplete or missing diagnosis
- Invalid or missing HCPCS/CPT codes and modifiers
- Use of codes that are not covered services
- Required data elements missing, (e.g., number of units)
- Provider information is missing/incorrect
- Required authorization missing
- Units exceed authorization (e.g., 10 inpatient days were authorized, facility billed for 11 days)

© 2023 Optum, Inc. All rights reserved.

Claims Submission Option 3 – hardcopy

All billable services must be coded.

- Coding can be dependent on several factors:
  - ❑ Type of service (assessment, treatment, etc.)
  - ❑ Rate per unit (BCBA vs. Paraprofessional)
  - ❑ Place of service (home or clinic)
  - ❑ Duration of therapy (1 hr vs. 15 min)
  - ❑ One DOS per line

You must select the code that most closely describes the service(s) provided.

Please follow billing instructions provided by your Network Manager based on your contract and system set-up.
