

Peer Support Services - Billing

As a reminder, peer support services (CPT Code H0038) are required to be billed under the rendering service provider. The rendering service provider's NPI or SSN must be listed on the claim in box 24J. Providers who do not submit claims with an individual person's appropriate information in box 24J will be denied.

Don't skip box 24J.
The individual that rendered the peer support services should be reflected in this field to prevent claim denials.
